

**Consortia Gwella Ysgolion Rhanbarthol
Regional School Improvement Consortia**

Cross-Regional Projects

Wales' four regional consortia have come together to manage 9 cross-regional projects to improve the outcomes for all learners in Wales

Improving Feedback and Reducing Workload

Developing and delivering an ongoing programme to improve feedback to learners and reduce teacher workload

Leadership Development

Developing uniform cross-regional high quality leadership development programmes

Discover Teaching

Raising the profile of Wales as a premier location to live, train and work in Education

Improving Standards

Sharing and implementing school improvement best practice

Communications

Creating a cross regional network for effective and consistent communications

Post-16 Learning

Implementing recommendations from the Welsh Government Post-16 Review

Curriculum for Wales

Supporting the development and realisation of the new curriculum

Welsh Think Tank

Ensuring value for money by eliminating research duplication and ensuring research meets current and future needs

Professional Learning

Providing high quality professional learning opportunities in pedagogy and practice across the teaching and learning workforce
